Dear Ben

Please find attached the review of "The Incompleteness of the Instantaneous State and the Status of Chapman-Kolmogorov Divisibility".

Best regards
Sara

**[EXTERNAL EMAIL]**
Thank you, Sara.

Just stick with the version of the Convex Pertubation paper. I mainly wanted to give you a heads up that revisions to each paper affect the papers downstream, but you already know how the revised Koopman Spectral Theory paper affects the Convex Perturbation paper.

Ben
